

masterpiece **LCR / Speakers**

Masterpiece as the word implies is our finest Front Channel flat panel display audio solution. The warmth of the Kevlar Long Throw woofers and the speed and extension of the renowned Vifa XT Super Audio Tweeters enhance the already state-of-the-art technical developments of our two other LCR speakers, Portrait and Sketch. The Center Imaging and wide dynamic sound stage created by our Patented DualMono™ Center Channel and Stage tweeters advanced LR Channel design is refined to it's limit in this product. Both SACD and DVDA capable the Masterpiece is a step up from Portrait which is considered by many audio enthusiasts to be the best performing solution of its type in the world. Speed, Dynamics, Frequency Response and Sonic Accuracy make Masterpiece the obvious choice for those who demand the best. The integration into the television both acoustically and physically with our Universal Mounting Brackets and Grille systems make this extraordinary system both pleasant to listen to and beautiful to look at.
